## COMBAT UNIT CARBINE

UPC: 098289020529  
Model: M4 Carbine  
SKU: LE6960-CCU

The Colt Combat Unit™ carbine was developed with the help of veteran US Special Forces trainers. It features a Ambi-Safety, Magpul® SL® buttstock and pistol grip as well as a MOE® trigger guard. The carbine is the first to feature Colt's new mid-length gas system. It has a low profile gas block which allows for the use of its M-LOK® capable Centurion CMR free floated forend. The Colt Combat Unit™ carbine (SKU - LE6960-CCU) is available exclusively from TALO Distributors.
